

## **ECOS Transportation, Air Quality & Climate Change Committee**

### **Accomplishments for 2018**

TAQCC hosted regular monthly meetings throughout the year:

- Jan – Topics and goals for 2018
- Feb – CapCity freeway, MTP/SCS
- Mar – MTP/SCS, by Clint Holtzen (SACOG)
- Apr – Autonomous vehicles, by Guy Hall (SacEV Soc.)
- May – CapCity expansion, by Clark Peri et al. (Caltrans)
- Jun – MTP/SCS, by Kacey Lizon (SACOG)
- Jul – Various, including proposed letter to Caltrans, by Craig Seagall
- Aug – Various topics
- Sep – Carbon storage and urban greening, by Kathleen Ave & Amy Young (SMUD)
- Oct – Caltrans' role in regional transportation planning, by Peri et al. (Caltrans)
- Nov – SacRT Forward bus route optimization, by James Boyle (SacRT)
- Dec – Year end review

TAQCC members prepared and submitted a number of comment letters:

- Feb – Siting of Elk Grove multimodal station, to Elk Grove city council
- Sep – Coalition letter regarding need for public outreach, to STA Board
- Oct – Request for Caltrans' participation in regional planning, to Caltrans Dist. 3
- Dec – Support for TOD ordinance restricting uses near stations, to Sac. City council

TAQCC members participated in a variety of working groups:

- Transportation coalition to support a better Measure B
- Transit advocacy groups such as STAR and SacTRU
- 350Sac Climate Action group commenting on Sac. Co. and Elk Grove CAPs
- Mayors' Climate Commission Technical Advisory Committees
- Sacramento Rail Working Group
- Cleaner Air Partnership
- Breathe CA Clean Air Policy Committee
