REVISED MEETING AGENDA

5:45 p.m. – Social time -- meet and greet

6:00 p.m. – Welcome, Introductions, Check-Ins, and Changes to Agenda

6:05 p.m. – “Electric Light-Duty Vehicles” battery-powered electric cars

- Guy Hall, Chief Strategy Officer, Sacramento Electric Vehicle (EV) Association and Board Secretary for the national Electric Auto Association

The Governor’s Executive order, that 100% of 2035 vehicle sales will be electric, is certainly achievable but will require effort. Guy will expand on last month’s EV update with the current challenges and wins in adopting EVs in the Sacramento region, and what needs to happen.

6:25 p.m. – **Peter Mackin, VP of Power System Studies at GridBright Inc. and Chief Advisor to SacEV**

Peter will share how the grid can positively or negatively affect EV adoption and how EVs can positively or negatively affect the grid as we electrify our world.

6:45 p.m. – Update on SMUD Watch Activities

- Rick Codina, 350 Sacramento

This week, SMUD staff presented an overview of the 2030 Carbon Zero Plan that will be unveiled next March. Rick will provide an overview of this significant change of course for SMUD in its goals to reduce greenhouse gas from its power plants. The utility plans to launch a series of community and stakeholder workshops and panels to discuss the plan and Rick will emphasize the need for 350, ECOS and the Sierra Club to join in and be ready to provide comments. At the same time, SMUD is supporting electrification recommendations currently before the City of Sacramento and the County Climate Action Plan.

7:15 p.m. – Update on Climate Action Plans (Susan Herre)
Sacramento City and County

7:30 p.m. – Other updates

7:50 p.m. – Other business and announcements / Topics for future meetings
