

ECOS Transportation, Air Quality & Climate Change Committee

Accomplishments for 2020

TAQCC hosted regular monthly meetings throughout the year, video conferencing starting in April:

- Jan – SacMoves transportation policies; Small off-road engines (Kim Alexander)
- Feb – Capitol Corridor & Sac. Valley Station (Jim Allison); Climate Emergency
- Mar – SB 743: VMT as a metric (Chris Ganson); Sac Moves & Measure A-plus
- Apr – Measure A-plus and SacMoves/SMART coalition (Roger Dickinson)
- May – SMUD's Greenhouse Gas and Renewable Power Goals (Rick Codina)
- Jun – California air quality regulations (Bill Magavern); Mayors' Climate Commission
- Jul – Voter support for Measure A-plus (Noah Painter); Sac County CAP
- Aug – Climate Justice (Nailah Pope-Harden); SABA's BikeMatch (Deb Banks)
- Sep – Placer-Sac. Gateway Corridor (Luke McNeel-Caird); SacRT; CapCity freeway
- Oct – Particulate Matter Air Pollution (Earl Withycombe, Ralph Propper)
- Nov – Causeway Connection bus service (Gloria Kim); SacRT (James Drake)
- Dec -- Electric Light-Duty Vehicles (Guy Hall, Peter Mackin); SMUD (Rick Codina)

TAQCC members prepared and submitted a number of comment letters:

- Apr – Endorsed SABA/WalkSacramento letter re "Slow Streets" in Sacramento
- Jun – Support letter to CTC for SacRT's SVS light rail loop and double tracking
- Dec -- Opposed Caltrans' proposed Mitigated Neg Dec for American River bridge

TAQCC members participated in a variety of working groups:

- SacMoves, transportation coalition to support a better Measure B
- Transit advocacy groups including STAR and SacTRU
- 350Sac Climate Action group commenting on Sac. Co. and Elk Grove CAPs
- Mayors' Climate Commission Technical Advisory Committees
- Sacramento Rail Working Group
- Cleaner Air Partnership
- Breathe CA Clean Air Policy Committee
