

Sacramento Earth Day 2023

Hosted by Environmental Council of Sacramento

Sunday, April 23, 2023 from 11-4 pm

Southside Park, 650 T Street, Sacramento, CA 95811

Sacramento Earth Day is a project of the Environmental Council of Sacramento.

INSTANTSEATS - Detailed Registration Instructions

To reserve a table by registering as a Vendor or Exhibitor, click the “Reserve a Table” button.

This will take you to our Sacramento Earth Day hosted by ECOS registration website, **InstantSeats**.

Then click “Get Tickets” to select a table site (booth number), indicate your vendor-exhibitor level (information, craft, commercial), and pay.

1. On the page entitled Sacramento Earth Day hosted by ECOS, review the information provided below the Dana Gray earth graphic.
2. Click "Get Tickets" to see our Venue Map in Southside Park.
3. Select an available table/booth site.
4. When the white popup box appears, select your vendor-exhibitor type (commercial, craft, or information/display).
5. Click on the green “Check Out...” button.
6. A “Customer Login” pop-up box will appear. Click “I’m a new customer” unless you have an existing account with InstantSeats. Enter your email address and a self-selected password, then press the blue “Sign In” button.
7. Provide payment information and fill in all fields for vendor-exhibitor information below, in order to proceed. Only the “Comment” box is optional.
8. Finally, click “Pay Now” in the right column. By clicking on the “Pay Now” button, you are agreeing to the “Terms for Vendor” instructions at the bottom of the screen.
9. A “Thank you for your order” page then will appear. Click on the blue “Print Your Tickets” button, and a new screen will appear with your “ticket” for an exhibitor booth at our event. Print this ticket and BRING IT WITH YOU on the day of the event just in case there is any question about your registration or the location of the booth you reserved.

That's it! Thank you so much for your participation in Sacramento Earth Day. We look forward to seeing you there!
