

# Sacramento Earth Day 2023

Hosted by Environmental Council of Sacramento

Sunday, April 23, 2023 from 11-4 pm

Southside Park, 650 T Street, Sacramento, CA 95811

Sacramento Earth Day is a project of the Environmental Council of Sacramento.

## Product Listing with an Environmental Certification Program

Manufacturers of environmentally-protective products that provide healthy choices to consumers are welcome to show, demonstrate, and sell their products at our event.

Distributors of personal care products marketed through direct sales organizations **must provide evidence of product listing by a third party environmental certification program such as Green Seal ([www.greenseal.org](http://www.greenseal.org))**. Registrants whose applications are declined based on our requirements will receive full refunds of registration fees.

**INSTRUCTIONS:** Email the following to ECOS at [sacearthdayexhibitors@gmail.com](mailto:sacearthdayexhibitors@gmail.com)

- a) Your website URL to allow us to verify the environmental pedigree of each product offered.
- b) For the product you intend to sell, provide a copy of the current certification from one of the certification programs below. The certificate should indicate the name of your product, and a statement of passage or compliance with the certification's environmental criteria.

### LIST OF CERTIFICATION PROGRAMS:

- Organic Trade Association - <https://www.ota.com/> – organic food
