

ECOS Climate Committee Meeting

Thursday, April 14 – 6:00 pm start

LINK to join: [ECOS ZOOM 6656164155](https://zoom.us/j/6656164155) or call: 1 669 900 6833, Mtg ID: 665 616 4155

Agenda (revised May 15, 2023)

6:00 Welcome and Introductions

6:10 Sacramento City's new Climate Action & Adaptation Plan

The City's Climate & Sustainability team will share information on the release, timeline for review, and how to provide input on their new Climate Action & Adaptation Plan (CAAP), along with some key General Plan policies with strong CAAP relationship; and update us on their Existing Building Electrification Strategy.

On May 10, the City hosted an orienting webinar for their CAAP and their General Plan Update:

<https://www.cityofsacramento.org/Community-Development/Planning/Major-Projects/General-Plan>).

The City's General Plan team will begin presenting key policies in early June. Additional webinars are scheduled.

6:40 Discussion/Q&A (CAAP & GPU)

7:05 Updates and Announcements

- Sacramento County's Climate Emergency Mobilization Task Force – status update
- Measure A redux – 2024 ballot measure to fund transit, etc.
- SACOG Blueprint
- I-80 lanes to be added between Davis and Sacramento – draft EIR expected soon
- Sacramento City's proposed Community Benefits Ordinance
- SMUD/Calpine plans for carbon sequestration and storage (Board hearing May 17, 6 PM start)
- Others

This meeting is open to everyone interested in addressing some of our region's most pressing challenges.
