

ECOS Climate Committee Meeting

Thursday, June 22 – 6:00 pm start

LINK to join: [ECOS ZOOM 6656164155](#) or call: 1 669 900 6833, Mtg ID: 665 616 4155

6:00 Welcome and Introductions

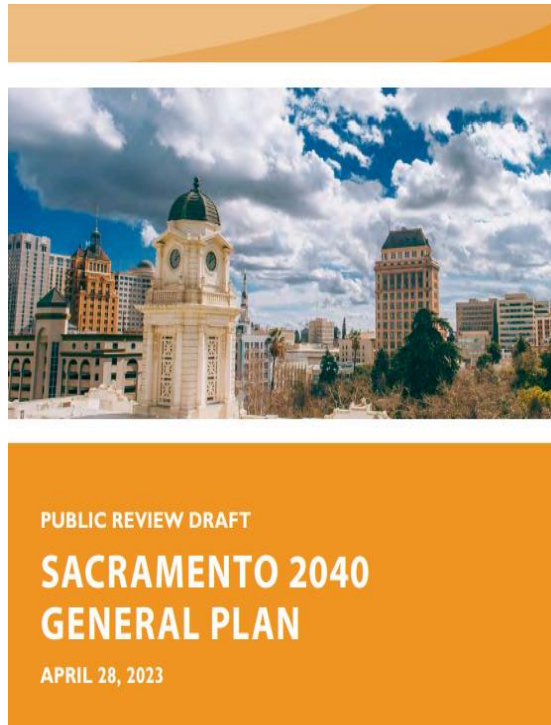

6:10 **City of Sacramento Draft General Plan Update (GPU)**
Remi Mendoza, Senior Planner and Project Manager for the City of Sacramento, will share information on the City's new draft General Plan Update (GPU)). The General Plan Update includes goals for promoting the development of a wider variety of housing types and this plan also envisages interconnected centers and corridors, so that future growth is sustainable and equitable. sac2040gpu@cityofsacramento.org

The City will host a webinar June 29 on CAAP + General Plan Update -- <https://www.cityofsacramento.org/Community-Development/Planning/Major-Projects/General-Plan>).

6:40 **Discussion/Q&A (GPU)**

7:05 **Updates and Announcements**

- Sacramento County's Climate Emergency Mobilization Task Force – status update
- Measure A redux – 2024 ballot measure to fund transit, etc.
- SACOG Blueprint
