

Sacramento Earth Day

A project of the Environmental Council of Sacramento (ECOS)

Parent/Guardian Approval for Minor to Volunteer/Participate

An individual's decision to volunteer or participate in any activity or event is entirely voluntary. Volunteers assume all risks inherent in or associated with his, her or their participation in any activity or event and must at all times take responsibility for his, her or their level of fitness.

Hold Harmless Clause

With my signature below, I affirm my status as the parent or legal guardian of the named minor and grant permission for this minor to volunteer and/or participate in Sacramento Earth Day. With my signature, I also acknowledge and accept all risks inherent in and associated with volunteering/participating in this event and hereby hold harmless the organizers and hosts of Sacramento Earth Day.

Name of Minor: _____

Name of Parent/Guardian: _____

Signature of Parent/Guardian: _____

Date: _____

Please clearly write the name of the volunteering/participating minor and parent/guardian in the space provided above. Parents/guardians please then sign and date this form.

Volunteering/participating minors **MUST** bring this completed form with them before they will be allowed to engage in any Earth Day related activities.

For more information, please contact ECOS at office@ecosacramento.net or 916-765-4977.
