Speaker: **Sacramento City Councilmember Phil Pluckebaum**

We're happy to host Phil Pluckebaum, who joined the Sacramento City Council in December 2024. Phil represents Sacramento Council District 4, which includes downtown and East Sacramento. Phil served for several years on the city's Planning and Design Commission.

As city councilmember, he serves on its Law and Legislation Committee, Flood Control Agency (SAFCA), Sewer District (SacSewer) Lower American River Conservancy Advisory Committee; Sacramento Homeless Policy Council; alternate on our Local Agency Formation Commission (LAFCo) and Sacramento Transportation Authority (STA); and others.

Come with your questions for Phil Pluckebaum! We look forward to hearing his plans for his new role, and to an exchange of ideas relating to ECOS priorities.

ECOS priorities include: transit-oriented infill development vs. sprawl; funding for transit, active transportation, bridges, Sac Valley station; implementation of city's Climate Action and Adaptation Plan.

6:00 PM: Social period (snacks and refreshments for attendees!)

6:30 PM: Welcome and Introductions

6:40 PM: Phil's plans, and exchange of ideas
